

Death

The background of the entire image is a dramatic sky. It features dark, heavy, greyish-blue clouds that are partially illuminated from below by a bright, glowing light source, likely the sun or moon. This light creates a strong lens flare effect, with rays of light radiating upwards and outwards, illuminating the undersides of the clouds and creating a stark contrast with the dark sky above. The overall color palette is dominated by deep blues, greys, and bright whites/yellows from the light source.
